

- Hydraulic for easy lifting
- Large heavy duty casters for easy moving
- 1300lb capacity, each
- For tires up to 12 inches wide
- Set of 4 dollies
- One storage rack

Each of these hydraulic wheel dollies can lift up to 1300lbs, and work with tires up to 12 inches wide. Heavy duty ball bearing casters allow cars to be easily maneuvered around most paved and concrete surfaces. Hydraulic powered tire grab/lift action and foot pedal makes using these dollies a breeze.
